

PRODUCT DESCRIPTION: Tail light APPLICATION: 2017 -2018 Ford F-250/ F-350 Super Duty

INSTALLATION GUIDE

READ COMPLETE INSTRUCTIONS BEFORE INSTALLATION Improper installation may void warranty.

STEP 3

TOOLS NEEDED: 8mm Socket

STEP 1

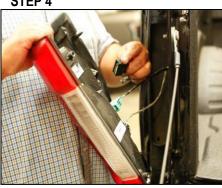

Lower tail gate and remove two 8mm bolts.

To remove tail light pull light towards side of vehicle to release locating guide pins.

Factory tail light

Disconnect factory connectors from factory tail light.

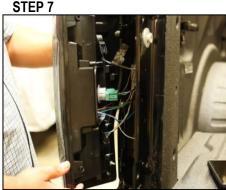

If locating guide pins are still attached to factory tail light remove pin and transfer to Anzo USA tail light.

STEP 6

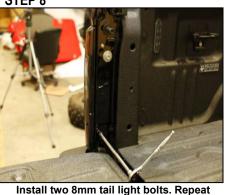

Clean surface area inside fender well with mild soap or rubbing alcohol. Peel 3m backing tape on resistors and attach to fender well.

Connect factory connections to Anzo USA tail light. Slide tail light into fender well making sure guide pins go into opening.

STEP 8

steps 2-8 on opposite side to finish installation.

Test all functions of lights before operating vehicle.

AnzoUSA™ products are covered, by a limited one (1) year warranty, to be free of manufacturer's defects. However, certain AnzoUSA™ product categories have warranty policies which differ from this standard, please contact your representative for detailed category information. Damage due to improper installation or road hazards is not covered. Seller and manufacturers' only obligations shall be to replace the product proven to be defective.
